

Transformer Walkthrough — Financial Fraud Alert Example

ATTENTION BEHAVIORS OBSERVED IN THIS TEXT

- Pronoun resolution: "it" (pos 9) → "wire transfer" (pos 7)
- Entity tracking: "they" at pos 29 → "account holder", but "they" at pos 75 → "fraud response team" (identical token, different referent — resolved by position)
- Cause / effect: "because" links dormant account → flagged
- Contrast: "although" links suspicious login → no further transfers
- Long-range: "the activity" (pos 79) → the transfer in sentence 1
